

# Jafet Bermúdez

character design / visual development

## eMail

jafetbermudez13@gmail.com

## Date of Birth

12/29/1998

## Nationality

Spanish (Available to travel)

## Professional summary

Aspiring animator with experience in 2D and 3D animation techniques, supported by a background in digital illustration and graphic design. My creative voice —much like my Spanish accent— is unmistakable: bold, confident, and full of personality.

## Work experience

### THE ARMCHAIR HISTORIAN // June 2025

Freelance work. Rendered final panels and set up the layout of characters and backgrounds parts by sections for a cut-out animation.

### MASKELINE S.L. // September - November, 2020

Creation of a rotoscope 2D teaser for an animated TV show collaborating with a 4-person team (Cancelled).

While being relatively new to the animation field, I have experience working on academical and personal projects, showcasing my strong foundation in both 2D and 3D animation principles.

### BAD HAIR DAY (2025)

*character designer / storyboard artist / 3D animator / editor*

-Created a 2-minute 3D animated short from concept to final composite.

### University Projects (2023 - 2025)

*character designer / 2D animator / bg & prop designer*

-Collaborated with a 12-person team, focusing on line art, colouring and designing backgrounds and props.

-Directed a 12-person team, meeting deadlines on time and open to suggestions and all kinds of feedback.

### Animation Reel (2023 - 2025)

*character designer / 2D animator / bg designer*

-Demonstrates the principles of animation, such as stretch and squash, anticipation and secondary actions.

-Animated scenes frame by frame both in Toon Boom Harmony and traditionally in paper.
